advisability.**

**-Wednesday Prayer Mtg. re-start- July 8<sup>th</sup>**

**-Men and women's ministries resume monthly  
gatherings.**

**-No VBS this summer**

## **Considerations for Sunday Worship Services**

**-IMPORTANT! If anyone has a fever, is displaying symptoms of a virus or suspects they might be sick-it is best to stay at home. Equally important, if anyone feels that their health might be comprised by attending, it is best to stay at home. WE LOVE YOU EITHER WAY!**

- Hand sanitizing stations at entrance in foyer**
- Masks optional (use good judgement, do what you feel you should do, don't force your decision on others.)**
- Seating according to 6" social distancing (every other row will be taped off)**
- No "Love offering fellowship time" at this time**
- No more than three people in the bathrooms at a time.**
- Greeters open doors for attenders**

**-Greeters dismiss attender's one row at a time at the close of service.**

**-Do not mingle in the aisles, make your way outside, and observe social distancing (6ft)**

**One Additional Thought:**

**This will not go on forever! As the old saying goes "This too shall pass." We are trying to do our part to keep our congregation healthy. For some of our people, this will be too early and for others, it's not early enough. We understand that. Like every ministry, organization or individual we don't have all the facts. The fact is, there seems to be very little agreement about any of the facts!**

**However, there is one fact that we do agree on, God's Word commands us to meet together.**

**"Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting, together, as some people do, but encourage**

**one another, especially now that the day of his return is drawing near. “ (Hebrews 10:24-25)**

**“I was glad when they said to me, “Let us go to the house of the Lord.” (Psalms 122:1)**

**We have done that since the very beginning, for thirty-one years now. During this pandemic, we have kept at it by making the service available online and organizing points of personal contact by telephone. Now we are moving towards re-starting our congregational gatherings. If conditions change and an adjustment of these considerations is required, we will do so. We are committed to the health and well-being of our congregation. Please make it a matter of prayer.**

**We are truly blessed here at Family Worship Center to enjoy a loving, Christ-centered fellowship. Let us commit ourselves to maintaining it. We can do that by trying to serve and protect God’s people (young and old.)**

**God bless you! Thank you for your help!**
